

# Our Lady of Victory Catholic School

## High School Placement Test: Fall 2017 Prep Sessions

The sessions will run on three Saturdays (September 30, October 7, and October 21) from 8:00-11:15 a.m. at Our Lady of Victory Catholic School. The students will rotate through teachers for four 45-minute sessions for the first two Saturdays.

- Ms. Bradford & Mrs. Whited: Math (two separate math sessions a day)
- Mrs. Scaramucci: Reading; Language
- Mrs. Marcou: Test-taking strategies; Logic and analogies

On the third Saturday, students will take a mock placement test with the test's exact timing and be given an answer sheet to check work.

*These classes are different than the summer HSPT prep classes and other high schools' prep classes. OLV eighth grade students are encouraged to sign up for HSPT test prep. Over the past two years, many students found it very helpful to review test taking and see how the HSPT will work. They felt more prepared for the actual exam. This is a great opportunity for additional preparation and will truly show the students timing and procedures for doing their best on the test.*

Please return the bottom form below with **\$100** (covers all three sessions) to your homeroom teacher by **September 22. After September 22, there are no refunds. There is no prorated rate for students who attend less than three sessions.**

-----

I give my permission for my student to participate in OLV's HSPT practice on 9/30, 10/7, and 10/21 from 8:00 a.m. until 11:15 a.m. If my student is not behaving appropriately, I will be called and my student will be picked up and will NOT be allowed to return the following week. I understand that, after September 22, there are no refunds for any reason.

Student name: \_\_\_\_\_

Parent signature: \_\_\_\_\_

Phone #: \_\_\_\_\_

**Please complete and return this form along with a check made out to OLV (or cash) with your eighth grade student. They should turn it into their homeroom teacher by September 22. Parishioners may bring it to the School or Parish Office.**
