## Congratulations!

The firefighters came to OLV and encouraged the students to participate in their annual **Great Escape**. The kids draw out their escape plan and on the day of the event, the siren sounds at 6 PM and the kids are supposed to practice their escape route and then come to the fire station to talk about their plan with a firefighter. Those kids then enter the raffle to win lunch with the firefighter. This year, OLV was lucky enough to have 2 winners—Emily Griffin and Rachel Eller! What an amazing day they had!
